Citizen have clear organisational values and these reflected in all of our Policies.

**WE ARE AMBITIOUS**

We find solutions. We aren't afraid to try things out. We keep learning and improving.

Safeguarding is everybody's responsibility, with staff across Citizen playing a key role in preventing, identifying and reporting neglect and abuse to protect adults. We have a specialist Safeguarding training partner and developed a specific training plan. The training focuses on how to identify Safeguarding concerns and clearly defined procedures in place that explain what they should do in each circumstance All staff undertake mandatory Safeguarding training and this clearly define the duty each has to report any concerns for the well-being of adults as detailed in the Safeguarding procedure.

Citizen recognises its responsibility to safeguard and promote the welfare of those who are at risk. This requires us to:

## 2. Policy Statement

The purpose of this Policy is to ensure that all staff in contact with customers take all reasonable measures to minimise the risks of harm to their welfare; and where there are concerns, appropriate actions are taken to address these concerns.

The approach of this Policy is based on and reflects the principles of both UK legislation and guidance and international agreements. Citizen will abide by existing regulatory requirements and legislation. In summary the Care Act 2014 promotes the wellbeing of individuals and in turn making Safeguarding personal. The Modern Slavery Act 2015 addresses the problem of slavery and human trafficking and is designed to improve law enforcement, strengthen criminal penalties, and deliver better support and protection for victims.

Citizen will act in accordance with the procedures of the relevant Local Safeguarding Boards who are the lead agency responsible for Safeguarding. Each Board publish an escalation process where an initial referral has been rejected This is reflected in our processes.

## 3. Policy purpose

All adults regardless of age, disability, gender, racial or ethnic origin, faith or belief and sexual identity have a right to protection from harm or abuse. This is of paramount concern to us.

#### **6. Policy management and delivery**

All relevant staff will be appropriately trained in using our Policy and procedures and will also be made aware and receive training on the procedures of their local safeguarding boards. The level of training they receive will be considered in proportion to the role within the Organisation, clients they work with and risk they are potentially dealing with.

Citizen will ensure that appropriate mechanisms are in place to ensure that contractors who work in properties on behalf of Citizen and who meet customers are aware of and have had training on this policy and the related procedure.
